TRANSPORTATION OPTIONS

- ❖ **Ambulatory**
These vehicles are lower to the ground and provide easier patient access for patients who can walk independently or with the assistance of a walker.
- ❖ **Wheelchair Accessible**
These vehicles offer a wheelchair lift for wheelchair-bound patients. We also offer a wheelchair for those patients who do not have one.
- ❖ **Ambulance**
These vehicles are operated by certified EMTs and transport those patients who need a stretcher.

“My grandparents use Comfort Care and it is very dependable. They love it!”
