Our goal is to help you sort through, and connect with, a variety of community and health-related services available to caregivers and persons with memory disorders or any chronically illness.

MEMORY MEDIA CENTER – Please take advantage of our Leeza's Place Library

LEEZA'S PLACE AT WellMed is a community-based education and resource center designed to provide information about Alzheimer's disease and related memory disorders. The Memory Media Center includes literature, videos, DVD's, books, and computer stations to provide Internet access. Our visitors may view materials at our location in San Antonio, or check them out to review at home.

My Health Matters—Dealing with the symptoms of chronic illnesses can be overwhelming, especially without support. My Health Matters classes were developed by Stanford University to help people with chronic health diseases such as diabetes, high blood pressure, arthritis and heart disease learn and practice the life skills required to live well with chronic illness. ENERGY

“Meditation is not the means to an end; it is the means and the end.”
(Krishnamurti)

T'ai chi (Ti-CHE) is sometimes described as "meditation in motion" and involves gentle, deliberate circular movements combined with deep breathing. As you concentrate on the motions of your body, you develop a feeling of peace and tranquility. T'ai chi appears to offer both physical and mental benefits no matter what your age. It's used to: reduce stress, improve balance and coordination, improve muscle strength, increase energy, stamina, flexibility, and agility, and increase feelings of well-being.

Instructor June Garcia RN BSN CMS Meditation Facilitator.

❖ Friday August 7,21 10:00am-11:00am

“FAMILY NIGHT” Social isolation can detach and separate a caregiver and give rise to a wide variety of stresses for those taking care of a love one. Isolation is dangerous because it cuts off family members from outside help and support they need to cope with the stresses of caregiving. Isolation makes it harder for outsiders to see and intervene in a volatile situation. Leeza's Place would like to invite you to join us to feel less isolated creating strong bonds of assistance and friendship participating and sharing with other caregivers your favorite movie, your favorite story or just come in and have fun with others.

❖ Thursday August 28 5:30-9:00pm

❖ *If you can't make it for one of our workshops or education sessions, please feel free to stop by anytime to say hello, visit, or use any of our resources.*

❖ *Monday-Friday, 9:00 AM - 6:00 PM,*

❖ *Other hours available by appointment.*

❖ *The coffee pot is always on!!*

Volunteers of Leeza’s Place share their heart-felt words:

With your help, Leeza’s Place is able to continue to design and offer new services and programs that provide a nurturing and life renewing place for caregivers and their loved ones to prepare for the journey ahead, and to stay on a safe course. We are looking for caregivers, professionals, and friends to help us with:

- ♥ Community Outreach
- ♥ Special Event Ideas & Planning
- ♥ Contribution Coordination with Community Partners

“Why do we volunteer and do the things we do for Leeza’s Place?”

1. We do all that we do to give back to Leeza’s Place for all they do for us.
2. We do it because it brings us together with others who are walking the same path that we are.
3. We volunteer to make sure that Leeza’s Place will always be there for us and for others to come.”

Jackie - Health First Leeza’s Place, Melbourne, FL

“We do it because Leeza’s Place gives us a place to go where my loved one can be with people whom are familiar with his situation. He doesn’t have to worry about what he says or does, because no one questions him. It gives him a sense of being needed, pride and responsibility.”

Vince - Leeza’s Place Volunteer
